SECOND DEWEY DAY

Celebration in This City may Oc-
cur the Coming Monday.

ARRANGEMENTS BEING MADE

For a Celebration of the First Anni-
versary of the Battle of Manila.
The Knights of St. George Take the
Lead, and Other Uniformed Organi-
zations are Desired to Participate.
Meeting to be Held To-morrow.

It is quite likely that Wheeling will
have another Dewey Day celebration,
but on a modest scale, compared with
the monster celebration that followed
the battle of Manila, nearly a year ago.
Captain George J. Mathison has the
honor of having suggested a celebration
of the first anniversary of the great
victory achieved by Admiral Dewey in
Manila bay on May 1, 1898. This anni-
versary comes next Monday, so there is
little time for preparation, but sufficient
if the organizations desired will act
promptly, and send representatives to
a meeting on arrangements, to be held
Sunday evening.

Captain Mathison commands the
Knights of St. George, Commandery
No. 44, and he has already gone through
the formality of calling out his men to
take part in a parade on Monday eve-
ning, in commemoration of the Dewey
victory. In addition, he has inter-
viewed the principal of the Cathedral
High School, who has signified his
willingness for the Cathedral Cadets to
take part in the parade.

Other organizations which it is de-
sired shall participate in the demonstra-
tion are the Bernard Shanley, Couer de Leon
and James T. McGee divisions of the
Uniform Rank of the Knights of
Pythias, the Knights of St. George of
St. Alphonsus, Lafayette Commandery
of the Knights of St. John, the Wheel-
ing High School Cadets, the Knights
of the Golden Eagle, the Linsly Insti-
tute Cadets and all other uniformed so-
cieties in the city.

For the purpose of making the neces-
sary arrangements for the celebration,
a meeting of representatives of each
uniformed organization will be held at
the Carroll club house on Sunday eve-
ning, at 7:30 o'clock. It is hoped all
the organizations will send one or more
representatives apiece. At this meet-
ing the line of march, the route of the
parade, election of chief marshal and
aides, engagement of music and one
or more speakers, and other matters
will be up for consideration.

It is suggested that the parade start
at 7 o'clock Monday evening, and pro-
ceed over a route including both the
North and South Sides, and to wind up
at a central point, where one or two
speeches will be made. The speaking
will be held out of doors if the weather
is good, and if not the Carroll Club au-
ditorium will be at the disposal of the
celebrators.

It is suggested that manufacturing
establishments close an hour earlier on
Monday afternoon, in order that there
may be a general participation in the
celebration.
Colonel Charles H. Gelger, command-
ing the First West Virginia regiment of
the Uniform Rank, Knights of Pythias,
was seen last night by an Intelligencer
reporter, and he looked with favor
on the movement for a Dewey Day cele-
bration. He said he would attend the
meeting Sunday evening, when he could
state whether or not the companies of
the First battalion would be ordered
out.

CURES WITHOUT PAIN.

One of the Best Features of the New
Pile Cure.

The Pyramid Pile Cure cures all forms
of piles without one particle of pain.
This desirable point is not obtained by
the use of injurious ointments which sim-
ply deaden and paralyze the nerves of
the parts and make matters worse in the
long run. But it is done solely by
its remarkable healing and soothing ef-
fects.

And while it thus gives immediate re-
lief, at the same time the disease is not
merely checked, but a radical cure is
accomplished.

And the point we want to make clear
is that all this is done without a particle
of pain.
This fact is one great reason for the
popularity of the Pyramid Pile Cure, and
constitutes one very great differ-
ence between it and almost any other
treatment for piles.

Every kind of surgical operation for
piles is excruciatingly painful besides
endangering the life of the patient and
in most cases is not to be compared
with the Pyramid Pile Cure, neither in
making successful cures without pain,
nor in cheapness and safety.

The Pyramid Pile Cure has been be-
fore the public so long, and its merits
recognized by too many people to allow
it to be classed with the many salves,
suppositories, pills, etc., and you run no
risk in trying it, as it is often the case
with untried preparations.

If you are ever troubled with any
form of piles or rectal disease do not
forget the Pyramid Pile Cure. Prepared
by the Pyramid Drug Co., of Marshall,
Mich., and sold by druggists at 50 cents
per package.

A BRAKEMAN KILLED

On C. & W. Road—The Victim
Will Harris, of Bridgeport.

Information reached Bridgeport last
night of the killing of brakeman Will
Lewis, of Bridgeport, yesterday after-
noon at Piedmont, a short distance west
of the river on the Cleveland, Lorain &
Wheeling road. Lewis is a freight
brakeman on the Cleveland, Lorain &
Wheeling road. The particulars of the
accident were not obtainable. The de-
ceased leaves a widow and a daughter.
The body will be brought to Bridgeport
early this morning.

Monday Night's Contest.

By doing some tall hustling the Met-
ropolitan club house will be lighted by
electricity for the Jack McCalland-
Eddie Gardner contest, next Monday
evening. The lights will be so arranged
that after the bout starts, the ring will
be illuminated by only the lights over-
head. Under these conditions the spec-
tators will be looking out of darkness into
light, and it is predicted that the in-
novation will be voted a huge success.

Working Day and Night.

The Bullock Camera Company is
working its force day and night, being
far behind in orders, and more coming
every day. Their magazine camera has
captured the photographic world. The
Bullocks are now negotiating for the
formation of a stock company which
will acquire the valuable patents under
which their camera is manufactured.

Successful Thinkers.

Study the cause of their own bodily
troubles, and when they find the sub-
tle drug of coffee is acting badly on
the curious and delicate nervous sys-
tem they have common sense enough
to stop. Many famous brain workers
use Postum—Cereal Food Coffee, a de-
licious morning cup when properly
boiled to bring out the principles which
it contains for rebuilding the nerve
centers and bodily structure.
Furnished by grocers, 15 and 25
cents.

SPECIAL MEETING

Of City Council Adopts the Annual
License Ordinance.

FEW AMENDMENTS WERE MADE

Wholesale Malt Liquor Dealers, Lic-
ense put Back to old Figures, and
Saloonists may Conduct Bowling
Alleys on Their Premises—City
Clerk Watkins not Prepared to Re-
sign yet—Art of Repartee in Second
Branch.

A special meeting of council was held
last night for the adoption of the an-
nual license ordinance and general busi-
ness. The session was brief, and there
was a good attendance in both
branches. There was a slight repetition
of the hilarity that characterized the
proceedings in the second branch
Tuesday night, but it was slight, being
confined to harmless antics on the part
of one member in particular.

Some changes were made in the li-
cense ordinance in the first branch, and
concluded in by the second. The license
for wholesale malt liquor dealers, cov-
ering Harry Wheat, agent for Faust's
beer, and E. Ball, agent for Goebel's
beer, was reduced from \$300 to \$100, which
is the same as last year, and the license
was removed from the local breweries,
which is also no change from former
years. Another change, and an inno-
vation, was giving saloon-keepers the
privilege to maintain a bowling alley on
their premises.

Mr. Miller caused some merriment in
the second branch, and there was quite
a laugh at his expense, when, probably
becoming embarrassed in his efforts to
object to some procedure, he strayed
over to the other side of the house and
took a seat among the Democrats.
Mr. Healy promptly told him to "shin-
gle on his own side." Again, in a lull,
Mr. Korn moved that Mr. Miller favor
the body with a speech. The eighth
warder is an adept at repartee. "I
move," said he, "that Mr. Korn talk on
little pop corn balls." At which there
was a laugh.

Aside from the license ordinance, the
business transacted included the ap-
proval of the bond of James K. Hall,
city collector, in the sum of \$20,000;
sureties, Messrs. John Frew and J. J.
Jones.

A resolution by Mr. Korn asking that
residents on the city's property on Al-
ley C, between Seventh and Ninth
streets, be taxed an annual rental of
forty cents per foot frontage, he claim-
ing the new method recommended by
the real estate committee would impose
hardships upon certain renters. The
resolution was referred to the commit-
tee.

Mr. Fox made a gallant effort to get
a new sidewalk for the east side of Main
street, above Jonathan's Ravine. He
wanted prompt action, and the finance
committee was given the resolution.

Mr. Healy introduced a resolution
providing no liquor license be given to
applicants other than citizens of Wheel-
ing, referred to ordinance committee.
The attendance of speakers was
small, and the announcement in the
Intelligencer that Mr. Watkins was not
yet ready to hand in his resignation ac-
counted in a degree for the lack of pub-
lic interest as manifested when there is
an official to elect. A resignation that
will be filed next month is that of Mr.
Louis Horkheimer, member of the first
branch from the Second ward. Mr.
Horkheimer is going to change his resi-
dence to the First ward.

The Democrats were in the majority
last night, and were all primed for
electing some of the brethren to the
positions of city weighers, but unfor-
tunately for them the election didn't
materialize.

THE ELKS STREET FAIR.

The Booth Space is Exhausted and
More Will be Provided.

The booths for the coming Elks
street carnival have all been sold and
the committee has decided to put up
more booths to accommodate merchants
that have not been seen. The display
will be the finest ever seen in the Ohio
valley, owing to the great variety of the
displays of merchants taking space, and
the 100,000 people who will enter the
main entrance will witness a scene
never before witnessed. Looking down
the 1,000 foot midway there will be se-
ries of arches, with profuse decorations
of bunting and Japanese lanterns, 2,000
electric lights making a blaze of light
for booths and midway, with the ad-
dition of arc lights. The midway will be
promenaded by thousands of young
and old.

The merchants wanting booth space
can be provided for from the additional
space by addressing George W. Lutz,
chairman, 1500 Market street.

Their Origin.

Chicago Daily News: How many peo-
ple who use the fami-lar words which
serve the turn of every one of us some
time or other know to whom they are
indebted? "All news flies apace," "Give
the devil his due," "Through thick and
thin," were all given by Dryden.

"Laggards should not be choosers,"
"Discreetness is the better part of valor,"
are two only of the many homely pro-
verbs which we owe to Beaumont and
Fletcher. As for Shakespeare, why
the talk of even the humblest peasant is
enriched by his wonderful phrases.
"That was laid on with a trowel," for
instance, is from "As You Like It."

"Do or die" was used by Burns, but
had come down to his day from an older
poet. Campbell gives us "Distance
lends enchantment," "Angel visits,"
and many others.

What position will you take in this
campaign? asked the statesman.
"Well," replied the practical politician,
"to tell the truth, I'd be willing to take
almost any that happens to be vacant."
